IF THE USER SCROLLS UP THEN THE WEB SITE NAME AND ABOUT THE CLUB:

A.C.E Club – Sri Vasavi is a structured student association established with the objective of enhancing communication proficiency, creative thinking, and effective self-expression among students. Anchored in the guiding principles of *Articulate, Create, and Express*, the club provides a professional platform for students to develop essential interpersonal and intellectual skills.

The club organizes a wide range of academic and co-curricular activities, including public speaking sessions, debates, writing forums, workshops, seminars, and creative engagements. These initiatives are designed to cultivate clarity of thought, confidence in communication, and originality in expression, thereby contributing to the holistic development of students.

A.C.E Club places strong emphasis on fostering leadership qualities, teamwork, and critical thinking abilities. By encouraging active participation and constructive interaction, the club supports students in overcoming communication barriers and preparing for academic excellence, career readiness, and responsible citizenship.
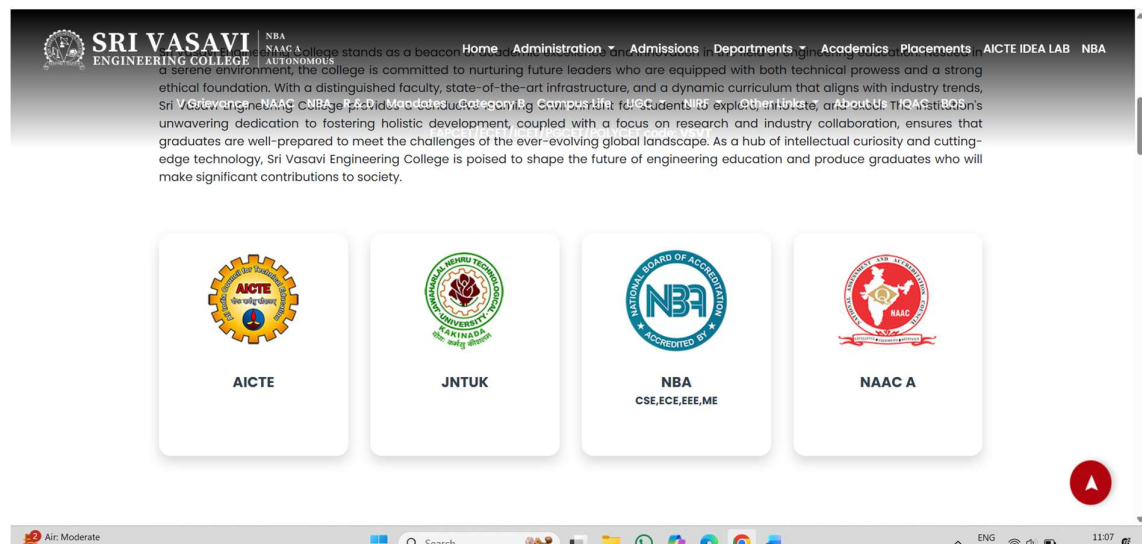

EXAMPLE:

A Meaningful College

Sri Vasavi Engineering College stands as a beacon of academic excellence and innovation in the field of engineering education. Nestled in a serene environment, the college is committed to nurturing future leaders who are equipped with both technical prowess and a strong ethical foundation. With a distinguished faculty, state-of-the-art infrastructure, and a dynamic curriculum that aligns with industry trends, Sri Vasavi Engineering College provides a conducive learning environment for students to explore, innovate, and excel. The institution's unwavering dedication to fostering holistic development, coupled with a focus on research and industry collaboration, ensures that graduates are well-prepared to meet the challenges of the ever-evolving global landscape. As a hub of intellectual curiosity and cutting-edge technology, Sri Vasavi Engineering College is poised to shape the future of engineering education and produce graduates who will make significant contributions to society.

- MAGAZINE
- STORIES
- ADMIN ICON (USED FOR ADMIN LOGIN)

THE NEXT NEWS PAGE:

EXAMPLE:

WHEN WE hover CURSOR ON THE NEW THE POP DOWN SHOULD BE:

- TECHNICAL
- NON TECHNICAL   .
-
  - THE TECHNICAL NEWS OR NON TECHNICAL ARE POPED UP LIKE
  - AND THE ADMIN CAN POST NEWS BASED ON TECHNICAL OR NON TECHNICAL

  -

Magzine page:

End users can read the articles by sliding respective volume like this and the scale of the magazine is A4
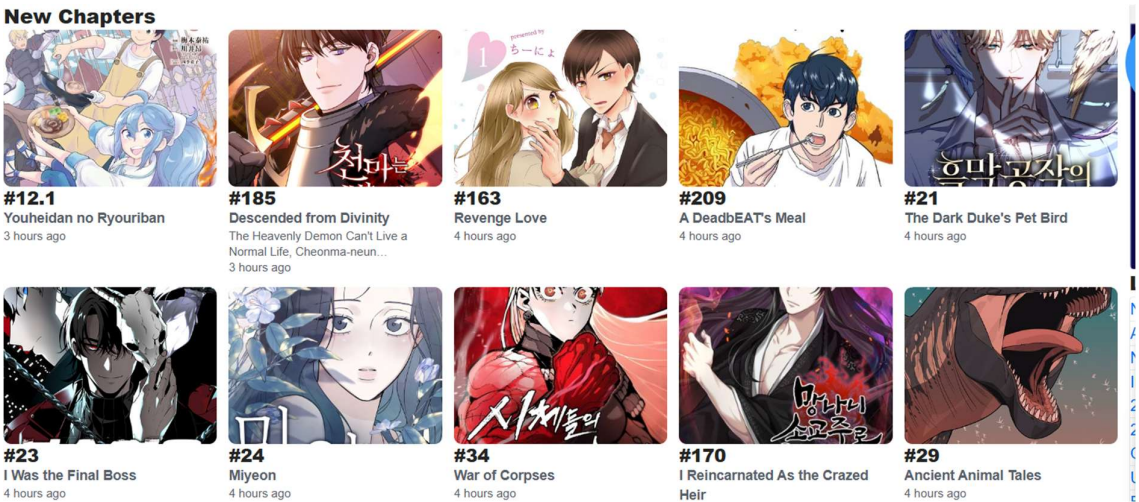

And the admin can post the magazine page wise according to the volume(single volume may consists several slides)

Stories page:

The users can read weekly chapters of stories and single book by clicking on the thumbnail which is connected to a pdf
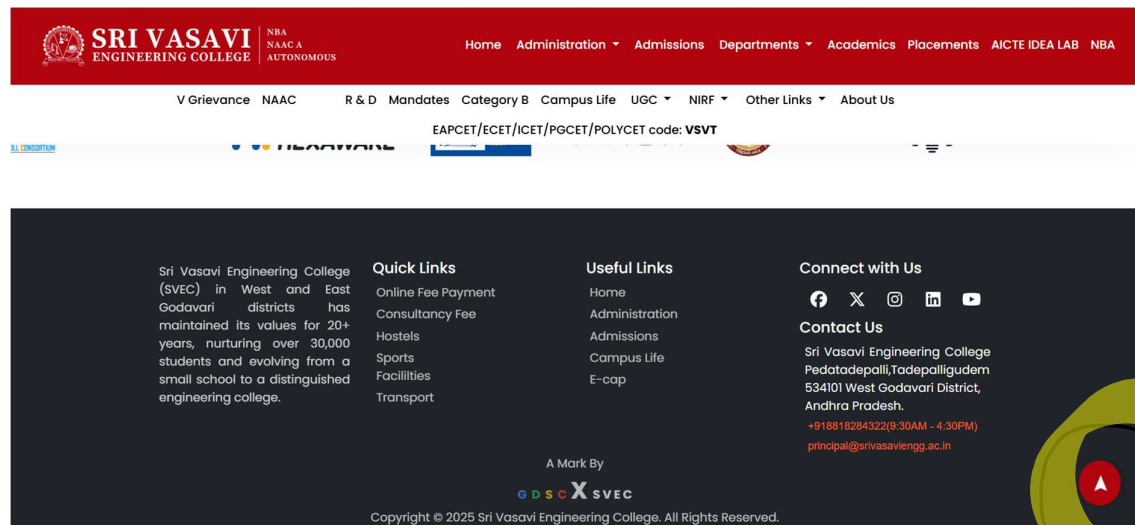

Example

Admin may publish a single book or weekly chapters of a story

Admin login:

Admin should only have a password and he can login with it and can publish news,magazines,stories in website

In future the radio live streaming should be updated

The small icon is there like navigation Radio icon should be there if we redirected the icon should be like that.

In radio page the FM should be live when the radio is started by using

> mixx

> icecast

The radio setup is not there for us those mixers and all should be in software

Like original FM after the announcement music should play .

The end users can request songs the only can see admins.
